

"Getting To Know You"

GAMMA is all about making friends and building on those relationships in a friendly, social, and safe environment. Our social activities include monthly "pot luck" parties and Happy Hour at "The Room" where you can mix and mingle. We have Sheepshead and Cribbage nights for all those card sharks. If you like to eat you'll love "Dining Out" where we explore Milwaukee area restaurants. For the top chefs our "Cooking Group" may be right up your alley. Top that with a good movie at one of our "Movie Nights", Milwaukee GAMMA has something for everyone.
