Over thirty years long & 125 members strong, Milwaukee GAMMA is what YOU want it to be. Whether it's sports, nature, big parties or little get-togethers, the members of GAMMA make the most of their membership. They drive the organization with old favorites and new ideas for ever-one to enjoy. If you want to organize new and exciting excursions or just attend a few small events once in awhile, GAMMA is for you.

Milwaukee GAMMA is a non-profit, non-political, social organization welcoming all adults: male, female, gay or gay friendly. It began as a touch football club in 1978 and has continued to grow and change.

overseeing some of the major functions, most of our events are suggested and/or hosted by members.

At the heart of the organization are the monthly parties and monthly newsletters. Dozens of GAMMA members gather at the monthly parties to socialize and discuss future events. The newsletters outline past and future activities with calendars, articles and photos.

The costs of the newsletter and a few of the events are covered by the yearly membership: \$36 for a single membership and \$57 for couples receiving one newsletter at a single address. This money is used to publish the monthly newsletter (GAMMA Rays), mail information to perspective members, supplement food expenses at some events, maintain a web site and an email address, and to conduct the business of the organization.
